Your complete guide to this issue's **BONUS VIDEOS**

This issue comes with 10 full-length bonus videos.

As always, these videos are totally free with absolutely no strings attached. You can stream them on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take **18eighteen** anywhere you go.

Here are the highlights of this issue's bonus scenes.

If you love young, flat, cute blondes with bubble butts, you'll love Ella Woods. She's supposed to be studying, but playing with her shaved pussy for the camera sounds so much more fun.

El Storm can keep a secret. She won't tell anyone about how she fucked her best friend's older brother and let him cum all over her face.

Charli Maverick starts off in a schoolgirl uniform. She's locked out of her house and stuck on the porch, but that doesn't stop her from lifting her skirt, unbuttoning her shirt and letting her hands wander her body. She cums under the hot Miami sun.

Alaina Kristar has everything a teen lover wants. Tiny tits that flatten to perfection when she lies down. A smooth, hairless pussy with meaty lips, which the guy in this scene savors every inch of, as he should. Alaina isn't the most experienced girl, but we don't mind. That means we get to watch her learn how to love cock on-camera.

Aubrey Star oozes sex, and she can't wait to cum for you. She strips out of her schoolgirl uniform, revealing her tight body and small, perky tits. Then she stuffs two fingers in her pretty, shaved pussy.

Foxy Di is flunking, so she visits the school administrator's home to discuss her options. His sexy older wife happens to be present, and both she and Foxy have the same idea in regard to doing extra credit. After all, a young, little thing like Foxy can learn a lot from an older woman. Like how to suck cock and ride it.

Alice Green is a cute redhead with perky tits and a flat tummy. She gets topless by the pool, then goes inside to shower. She's always horny, so a shower is as good a place as any to diddle her clitty and have some orgasms.

Alex Tanner's tits are small, but there's no need for her to stuff her bra. There are much better things for her to stuff...like her pussy! This guy knows that, and he shows her how true it is with a deep dicking.

Cassidy Ryan has been told her pussy is too tight. So she's going to practice loosening it up with her fingers. As Cassidy fingers herself, you can see her tight walls pulling her outer labia in as she goes deeper.

Elena Cole is so hot she'll make you bust a nut twice. That's what she did to our stud. Fortunately, he goes back for seconds with no downtime, fucking her good and hard and then cumming all over her face.

The Pianist's Penis... 🦓 in Her Pussy

Great scene! I loved Hannah's outfit and the way her hair was donelong and with a bow! Of course, I loved it 10 times as much when she got naked! The intro was fun, especially with Hannah's cute voice and her trying to be disingenuous with Donnie. She's the ultimate super-cute blonde girl-next-door. Facials are fine—and erotic—but as a personal preference, unless the guy actually cums in her mouth, I much prefer the girl to make the meatpole molasses "happen" with a handjob and with the creme brulee going in her mouth

(and swallowing, of course). Hanna putting some of the goo on her tongue with her finger was a nice touch. Five stars!-member HORNED OWL, via 18eighteen.com

Purring Pussy D

Holy fuck this girl Lila makes me hard! I love her tiny, little titties and her gorgeous pussy and asshole. And that ass! I could bounce a quarter off

those firm little cheeks. I'm loving the pictures where she's spreading her ass cheeks and making her tight, little asshole gaping. I'd love to bury my face in between those tight, little cheeks and slide my tongue up in her ass. There's no way I'd pull out if I were fucking her. I'd fill that tight, little mitt up with so much cum it'd be pouring out when I'm done.member Biff Winchester, via 18eighteen.com

Naughty Academy

Oh my, I wish I was the dean of Alice's academy. She would be assigned to my office, and Alice would be my valedictorian. I'd be making love to her all day, fucking her pussy, humping her asshole, and cumming in her and on her. We would even have lunch in my office. I would be eating her pussy lips while she eats my dick. She would graduate with knowledge, and Alice definitely would graduate pregnant. I love her. Her pussy lips and asshole are the best. I love draining my balls

to her asshole and pussy. Thanks Alice! She cured my erectile dysfunction.-member m3934699, via 18eighteen.com

Oh Alice! So, so gorgeous and beautiful! "Naughty Academy" is truly her best photo shoot. I wish there was a video! She made my cock the hardest it's ever been and truly emptied my balls. I just love her! Cumming to her photos gives my cock so much pleasure and enjoyment. I'm wishing my cock was in her asshole in photo 20. How wonderful that would

be! When she

standing. Alice truly has the best pussy lips. I would love to suck them until she squirts her pussy juice in my mouth. I would love for her to sit on my cock with it in her ass while she squats up and down on it until she makes me cum in her ass. But the best is photo 37. I love her with her legs and pussy lips spread. I would love to pound my cock in her pussy, her pussy lips wrapped around my cock and her legs around my back as I suck her nipples and look at her gorgeous face while I pump my cum in her pussy. Photos 24 and 33 are also excellent to masturbate to but all are my favorites. I'm constantly cumming to these photos.-member m3570218, via 18eighteen.com

Honey's Hall of Fame Fuck

Dear Virgin Territory,

The hardcore layout you ran of Honey in the Vol. 24 No. 4 issue may be one of your greatest pictorials ever. It is seriously a contender for the hall of fame. First of all, Honey is a total babe. Her big tits and bush make me so hard, and honestly, I prefer her to flat, shaved-pussy girls. She has a great butthole-so tight and adorably puckered. When she sucks cock, Honey gives us this cute wideeyed look that I can't get enough of. It's almost like she can't believe she's being photographed with a cock in her mouth, and she likes it. Then seeing her lovely fuzzy lips parted by a big cock is all you need to feel happy in the world. The position she's in in the centerfold looks fun. And of

course, her facial is fucking hot. Some nice big globs running down her cheek and onto her tit while she sticks her tongue out like a horny slut.-J.C., Fort Lauderdale, Florida

Dear J.C.,

We agree that Honey belongs in an 18eighteen hall of fame. If you think her photos were hot, you have to see her scene in Teen Bait 2.

A Date with Leana

Dear Virgin Territory,

Damn, Leana from Vol. 24 No. 4 has got a pair of tits on her. I'm a sucker for perky, round, full boobs. The rest of her is pretty nice too. I can just imagine picking her up on a date—she's wearing a sundress with

no panties or bra underneath. I'd be staring at her tits and legs and struggling to hide my hard-on. I'd take her out to eat and be a gentleman, then give her the pounding of her life when we got back to my place. But not before licking that pussy and ass up and down. Judging by the photo of her juicy folds on page 21, I'd have plenty to eat, and I'd enjoy every second. Oral is important because I'd want her to cum before I even stuck my cock in. Then figuring out just how she likes to be fucked would be a pleasure. Slow and romantic or fast and hard or a mix of it all...I'm game for whatever. After she's cum multiple times, I would blow my load deep in her pussy, because that's the only place to cum with a girl like Leana.-R.O., via email

Dear R.O.,

If you'd like to see how the second part of your date with Leana would go, check her out out in Naughy Neighbors Vol. 27 No. 3 and in My Lil' Pussy, both available on eboobstore.com.

Bet on Beti

Dear Virgin Territory,

I'd swipe right on Beti from Vol. 24 No. 4 for sure. In fact, that whole issue was full of babes I'd swipe right on, but Beti was my favorite. I just can't resist the cute hairstyle, and I love blondes. I like the buns on her head and the buns on her bottom... and her tits...and her pussy. In other

words, I like everything about Beti. She reminds me of the girls I see at music festivals, and if she's anything like them, then she's down to party. I also enjoyed seeing her outdoors. It's been a while since I've seen a set like that, and they're always a nice touch.

Now, I'm going to look through my dating apps to find a Beti lookalike.-F.L., via email

Dear F.L.,

We can't say how much Beti likes to party, but she definitely likes to fuck. If you'd like to see another cute blonde shot in an outdoor setting, check out Annie from Vol. 24 No. 3.

Beach house at the shore? What could be better for hooking up? That's what Gwen and Kylie thought, anyway. But, weeks into a dick-free summer, Gwen caught Kylie's dad checking her out. She couldn't, could she? Well, if guys could nail older chicks, why couldn't she get herself a...

Faceful of DILF

By Joe Monks Illustration by Otis Sweat

Gwen was not happy. It wasn't Kylie's fault, but still, looking out over the ocean, she didn't see things getting any better.

"Come on!" Kylie had prodded. "You gotta come! It's gonna be the greatest summer ever!" That had been the day Kylie's uncle backed out of the trip, leaving an extra ticket. Absolutely...totally...free.

Summer vacation? Gwen hadn't had any plans beyond trying to get a part-time job and missing Kylie for six weeks. Her bestie's family always went someplace, leaving the two friends precious little time to hang out and party. This summer, though? All that would change.

Unfortunately, not in a good way. Even though Kylie's dad had rented a beach house, it wasn't near anything but the water. You had to drive into town to get food, and the village was tiny. So far, they were out of luck in terms of hooking up. Gwen hadn't seen any promising prospects in days. And they were stuck with Kylie's annoying little brothers.

Her cell buzzed. It was Kylie, telling her: POP-CORN'S READY.

With a sigh, she thumbed a response and started back toward the house. That was when she noticed Kylie's dad on the balcony, watching her.

Checking her out?

Nah, she thought. Impossible. But, there he was, leaning on the railing with a smile, nothing else to look at but the waves. The sun was almost down. From up where he was, you wouldn't have been able to see much, even if waves were your thing.

Suddenly feeling weird about wearing nothing but shorts and a halter top, she gave a weak wave. Kylie's dad waved back, still smiling. Instantly, her pussy went wet. Not just damp, wet-wet. Hesitating, she pretended to respond to another text.

Could he really..., she wondered, flip-flops kicking up sand. She'd never thought about it before, but... Kylie's dad was a pretty good-look-

ing guy.

"He's Kylie's dad!" Her inner voice again. The part of her that had been trying to convince her to wade out a ways, then finger herself until she had to claw her way back to shore. Not that it was a bad idea, but still...she'd never dreamed she might have an audience.

What would he have done, she wondered, lips growing slicker with every step. Would he have done what she couldn't stop thinking about? Masturbated, up there on the balcony? Jacked off until he blew a salty wad through the second floor railing and into the sand?

She swallowed. Not the good way, though. Not the way she was thinking about now—with the taste of dick in her mouth and jizz on her tongue.

"Will you quit it?" the inner voice tried. Only now, her second self sounded much weaker. Just like her knees as she stepped onto the patio.

"Gorgeous out tonight," Kylie's dad called down. "Great view."

That smile. That roguish grin he flashed in all the pics they'd been taking. Gwen was familiar with it by now. Couldn't lie to herself about how sexy it was anymore—Kylie's dad was a total DILF. She turned back, glanced out at what he'd been looking at.

It might as well have been midnight. Only the hint of tide rolling in could be seen. Beyond that? The only thing on the beach that would have been visible...

Gulp. Another boring swallow. There would have been only one thing to stare at.

Her ass.

000000000000000

Paying attention to the movie was tough. There were lots of explosions, and the two lead guys were hardcore fuckable, but...they weren't going to

be stopping by. And, Kylie's dad was on the other sofa, shorts pushed up, showing off his muscular thighs. If he pushed the recliner back just a little more, she'd get a really good look at his bulge.

Kylie nudged her. She jumped, popcorn went flying all over the floor. When she looked over, her pal was offering the Raisinets.

"I'm good," she said, getting down to pick up the popcorn.

Really good, she thought. On her knees. Able to look up Kylie's dad's shorts, offering her a look at his jock-

eys. Taut...and stretched about as far as the material could go.

"Ahh, don't worry about it," he said, putting down the recliner, his crotch practically in her face. "It can wait until later."

Kylie glanced up. Got a smirk in the near darkness. Felt her pussy lips twitch uncontrollably.

000000000000000

3:08 a.m. stared back at her from the nightstand clock. Though her fingers were sticky, she hadn't cum yet. She'd tried, and couldn't imagine needing to get off any worse, but so far...nothing.

"Ky?" she whispered. The only response was Kylie's snoring. So much for asking if she could borrow her vibrator. Gwen knew Kylie had it here somewhere, but searching around for it in the dark didn't seem like a bright idea. She thumbed her

clit. It was throbbing.

A walk, she decided. That would do it. She'd be tired, she wouldn't be horny any more, she'd come back to bed shivering after rinsing her feet in the outdoor foot wash, and she'd fall right to sleep. At least, that was the plan, creeping out of the bedroom and shutting the door behind her.

There was light coming from under Kylie's dad's door, where Gwen stopped, considering. She knew Kylie's dad had had his eye on her since the beach earlier. During the movie he'd stolen as many peeks as she had. What if she tapped on the door, slipped inside, and shoved her shorts down. She knew she hadn't just been lying to herself—he was interested, big time. Something she'd never really thought about before an older guy. Well, this much older. But, what if it didn't go the way she expected? What if he got weirded out and told her to leave? Could she handle that? Especially with how gooey her pussy was? Plus, would he say anything to Kylie?

"Make me cum," she pictured herself demanding, pointing to her shiny twat. "I need some cock."

She shook herself, took the back stairs, and breathed in the sea air. What was she thinking? It was like her pussy had a mind of its own.

The sand was still warm. Bonus, considering she'd forgotten her flip flops, so, barefoot it was. She slipped a hand into her PJ bottoms. Her slit was still seeping.

"Wade out, hip deep, and fingerfuck yourself already!" her inner voice cried. "It's the middle of the night! Who's going to see?"

No one, she knew, which was kind of the drawback. The more her fingertip circled her clit, the more she wished she'd done it this afternoon, when Kylie's dad could have seen. Wouldn't have been tough for him to tell, she mused. She got noisy when she creamed.

"Just GO!" the voice went on.
"When you're done you can shake
your PJs out by the patio. Walking
up to the back door naked would be
fucking hot, wouldn't it?"

Gwen shivered. Fuck yeah, it would. She grabbed her waistband, ready to strip, when the voice came. Not her inner one.

"Sheesh. Thought I'd have the

Why did you fuck those guys?

"Because I'm horny and have no self control. My friend's boyfriend had been hitting me up for months, so finally I just did it. And I'd been crushing on my dad's friend for years. Also, I guess I like forbidden fruit. They say it's the sweetest."

whole ocean to myself!"

Gwen spun. Kylie's dad was standing there, shirtless, in the shorts he'd been wearing during the movie. Thanks to the full moon, there was light enough to make out his hard-on. Holy shit did he look big!

"İ, uh, sor-sorry," Gwen stuttered. "Didn't mean to wake you up."

"Wasn't you," he reassured her, turning toward the waves. "I couldn't sleep. Too restless. And the beach at night? Full moon? What better time to skinny dip?"

Gwen's twat oozed syrup. It was an invite, wasn't it? How could it not be? Still, she couldn't reply. She felt the inner voice elbow her in the ribs.

"He didn't show up with that boner because it's low tide!" it said. Gwen knew it. Besides, hadn't she just been thinking about doing the same thing? She was about to say something when he kicked off his shorts, dick web-porn hard.

"Last one in," he said and padded

"Last one in," he said and padded out, diving into a wave.

Gwen's sleep gear was a ball of tangled cloth as she ran in after him. Her box practically convulsed when the water hit it.

Kylie's dad resurfaced a few feet away, pushing back his hair.

"Nice out here, isn't it?"

with him, ready for the tingle of salt water in her nose. Didn't happen, though. Kylie's dad propped her bare ass on his shoulder and popped back up, holding her up like they were at a concert and he was giving her a better view. Gwen wondered if he could tell

She grinded into him, the head of his prick rubbing her clit. She was on the verge of another orgasm.

She nodded. She still couldn't find her voice. So, the inner one spoke up for her.

"Cooler than I expected," she said. "You know, naked and all."

She flicked a thumb across her tit. Her nip was hard as a seashell. She was shocked at her boldness.

"Ahh, only takes a sec to get used to," he told her. "Once you go down."

He disappeared again, another wave rolling in. Then, his shoulder was behind her knees, lifting her up and then—

She held her breath, submerging

the difference between the ocean water and her snatch dripping down his skin. After a few moments, he let her slide down his arm to regain her feet. Her thighs parting a little further every inch she went.

"Better?" he asked.

She nodded, thinking about the trail she'd left down his bicep. Her slit was spasming.

"Did you just cum?" the inner voice asked. Gwen ignored it. She was balancing on one foot, bringing the other up to rub her thighs together. It had been a small climax, but still, given

how frustrated she'd been? She hoped sharks didn't sense girl goo in the water; there'd be a frenzy of them swimming over any second!

"Still chilly?" he asked.

"Well," she answered, making a decision. "If you know how to, you know, make it a little warmer...."

He was close enough to pull her in tight, hands on her ass, his thick shaft parting her lips. She grinded into him, the head of his prick rubbing her clit. She was on the verge of another orgasm. If she came this easy without even fucking, actual penetration might make her head explode.

She pressed her forehead into his neck, fingernails digging into his back. He got the message loud and clear and slowly pulled her higher. Just a little at a time. Higher...higher...teasing her slit.

She wrapped her legs around him, the tip of his dick right up against her dripping honeyhole. He was on the verge of entering her, and she couldn't wait. She didn't give a damn that he wasn't wearing protection. All she wanted was that fat slab of meat plowing into her. Now.

"Put it in me!" she whispered. "I need a good fuck!"

Truth was, Gwen would've been happy with an average one. She'd only had one partner, and Vinny hadn't been any good. True, they were both new at it, but even though he had a decent cock, he shot way too fast. The longer they dated, the more foreplay Gwen required. At least when he ate her pussy, she got off. But still, she wanted a fuck that left her feeling satisfied.

Kylie's dad inched his tool inside her tight, hot pussy. Once he was in to the hilt, it stretched her insides, almost too much to handle. But, it had been a long two weeks, and she needed a helluva lot more than one climax. She let go, arms wide, the water holding her up. Kylie's dad started slow and then worked up to pounding her hard, every thrust bringing her closer to the edge.

"H-here comes an-another one!" she whimpered, her teen cunt clamping down on his pulsing shaft. He laughed, letting go of her ass to toy with her titties. The water no longer had anything to do with how hard her nipples were.

She orgasmed, a back-to-back, gutwrenching eruption. She slapped the

water, the salty sea splashing her in the face.

"Does somebody own that?" she wheezed, pointing toward the shore. She and Kylie had noticed the cabana, but hadn't poked their heads in.

"Public use. Why? Got something in, *ungh*, mind?" Kylie's dad said while stuffing her tight pussy with his man-meat.

The upthrust sent her over the top, ankles crossed behind his shoulders now. This time was so intense, she pinched her nose as her back arched and her head went under.

"Could be," she said, spitting out seawater. Her whole body felt like it was being turned inside out. His nuts were pinned against her asshole when he stopped.

He didn't bother pulling out. It wasn't far to the cabana, and her arms around his neck would have been enough to support her, even without his shaft buried balls deep. Gwen was incredibly aroused by the situation, being carried across the sand, in the arms of a hot DILF with his cock inside her. Each step he took provided a subtle thrust, to which she writhed on. She made a mental note to try having a guy hold her up and fuck her while she was pressed up against a wall.

They reached the cabana. Kylie's dad swiped aside the fabric, and they disappeared into the darkness.

When he set her down, his thumb dragged across her butthole. Very slow. No way, she thought, the walls of her cunny feeling like a rubber band that'd been pulled too far. That wasn't going to happen. Well, probably not, she decided. Although...what he was doing felt really good.

"Here," he said, hefting her onto a cabana bed. "Get on your knees. Lean down a little. Yeah, that's it. Little farther, oh, yeah! Perfect!"

Gwen's ass was in the air, her legs spread and her butthole fully exposed. Kylie's dad was back inside her, doggie-style now, giving it to her for all he was worth. Within seconds, Gwen was dripping onto the mattress. Tomorrow, she thought, when it gets hot out? Somebody's gonna take one whiff and know exactly what happened in here! Hell, maybe she'd even come back and reminisce...with her finger buried in her snatch.

Girl cream ran down her thighs. Continued on page 72

Faceful of DILF

Continued from page 64

She seriously wondered how many times you could gush before getting dehydrated. Something she'd have to Google later—she'd already lost count of her cums.

Kylie's dad slid his hands under her tits, giving her nips a squeeze. Then a little pinch. Between the pressure on her swollen buds and the way his prick was hitting her sweet spot, that was that. Add one more cum to the total she couldn't remember.

"Shift over a little," he instructed. "Now, put your heel...over here."

Now, she was on her side, her knee

Kylie's dad finished her off, hanging onto her as they fell off the bed from all the thrusting action, kneeling on the sand with her as she hit multiple-climax overload. Goo gushed. Her shoulders tensed, tits sticking out like she was trying to show off in class when called up to the white board. Sand was trapped between clenched toes.

She couldn't hold back. She cried out, Kylie's dad keeping her face out of the sand, unconcerned about her cum-squeals. Her hips bucked and her body twitched. Sand went flying. Sweat trailed into her ass crack.

"Enough," she said, dragging her nails down his chest. "Your turn. Get in my mouth."

Kylie's dad ramped up his pace, twisting his hands against her sloppy slit and driving his prick into her like a sledgehammer, hitting spots she didn't even know she had in there.

pulled up high to allow him deeper access into her sopping twat.

Her legs spread wider than she even thought possible, his palm rubbing across her downstairs nub. She tensed as she felt the pressure building in her clit.

She grabbed his wrist, shoving her smooth pussy against his rough palm. He leaned into her, alternating—fuckstroke, palm-grind, fuck-stroke, palm-grind....

"Get me off again," she begged. "Then stick that big cock of yours down my throat. I wanna suck my taste off you!"

Kylie's dad ramped up his pace, twisting his hand against her sloppy slit and driving his prick into her like a sledgehammer, hitting spots she didn't even know she had in there. She was proud of the way she handled it; her ex never pounded her like that. By the time she was on the edge again, she was gasping for air, hoping her lungs wouldn't collapse.

Gwen wondered how the heck she was she going to sneak back into the room she was sharing with Kylie. Noise was one thing. Smelling like sea water and a frat party bedroom was something else entire—

"Ohhh—un—fucking YES!"

"You like sucking dick, don't you?" he asked.

"For the right guy," she replied, slurping down the first couple of inches. His shaft was covered in her tang, and she savored the flavor. Gwen grabbed hold of his nuts, knowing they were full with her reward for getting him so horny.

"And, how do you know the right guy?"

"Makes me cum 'til there's sand stuck to my ass," she told him, kneading his sac while his tip probed the back of her throat.

Pre-cum dribbled onto her tongue as she jacked the base of his shaft, unable to get him all the way down. Even though she didn't have a whole lot of experience with guys or cocksucking, she knew hung when she tried to deep-throat it. She could feel the corners of her mouth stretching as she tried to accommodate his girth.

"That is so good," he told her, gently stroking the back of her head. She pulled him out, jizz-drool hanging off her chin.

"Shoot on my face," she told him, not sure if that was her inner voice or her own. Just that she knew it was what she wanted. "I've never had a facial. You need to blow your load all

over me."

Without waiting for an answer, she went back to it, sucking noisily. Saliva had dripped down to his balls. With her free hand, she pressed his palm down hard on her head.

"Griv ith to me," she slurred around a throatful of veiny shaft. "Fuck my mouth!"

He didn't thrust into her face the way he had her snatch, but he pumped plenty of prick into it, his cockhead close to triggering her gag reflex. As it was, she was having a hard time handling it all, the enormous amount of dick, the flow of his lube slipping down the back of her tongue, the way his whole fucking length seemed to tease her bottom lip. She wished she had the long, curly locks Kylie did—so he could twine his fingers in it and pull her hair while she played with his balls. If she thought they were heavy when she first got a hold of them, it was nothing compared to what they felt like now.

"Shit! How much can he have in there?" her inner voice asked, glad she wasn't planning on swallowing. Well, maybe she'd swallow a little. Didn't seem like he'd be running out after the first couple of spurts. Not that swallowing loads had ever been a problem. Sure, that first time? There'd been way more than she expected, but...how did anybody know what to expect? Kylie had told her when she'd first blown Marco, her ex, he'd sprayed half on her cheek because she couldn't figure out when to gulp it down and when the next wave would hit. Kylie had blown a couple of guys and said it was never the same. All Gwen had on her blowjob resume, though, was Vinny.

Kylie's dad might've been able to drown her, given the weight of his nutsac. Which, Gwen noticed, had tightened considerably. His strokes had grown shorter, too. Quicker now. He wasn't going to last much longer.

"How 'bout it?" she teased. "Ready to give me a cum bath?"

"Juuuuuuuust about," he confirmed.

"Awww... Am I not sucking it good enough? Don't you wanna jizz on my face? I want your cum on me so bad."

That did it. The dirty talk, her spitslick hands working his junk and

shaft. Kylie's dad shut his eyes and gave her all the warning he could.

"Gwen—I'm gonna—!"

He shot like a cum machine gun. She made sure to keep her eyes open and hold eye contact with him. A rope of spooge hit the bridge of her nose, splashing onto her cheek and trickling down under her earlobe. Before she could even tilt her face, a second blast of ballsauce geysered from his cockhead, splashing across her top lip. Taking advantage, she stuck her tongue out, pulling in all she could before his third spurt coated her chin and throat.

Five, six.... Unimaginably, he kept shooting. She had to close her left eye, her eyelid painted in jism. He'd leaned back, just for a second to catch his breath. Long enough for a spermspout to land on her boobs.

When he finished—and she couldn't believe he had finally and truly run empty-Gwen was soaked. It was in her hair, on her tits, on her neck, and of course, her face was lathered with it. Kylie's dad took one look at her when they stepped outside and keeled over laughing.

"Think we oughta hit the water. No towel's gonna help you with that!"

"Not too bad for my first facial," she said.

They swam around some after Gwen had rinsed off, the sunrise catching them by surprise. Kylie's dad took her hand and they raced up the shore, slipping into the house just before the first rays.

"I'm letting Kylie use the car tomorrow, take her brothers to lunch. You know, in case you feel like backing out at the last minute."

Gwen turned, yanked down her freshly shaken-out PJ bottoms and flashed some ass.

"Backing out, huh? Think I can handle that," she said, before scampering upstairs.

She and Vinny had fucked a decent number of times. He'd eaten her pussy. She'd sucked him off. But, even though she could cross facial off her list, she still had plenty of firsts to go. She recalled how good it felt when he touched her butthole.

Tomorrow would definitely be an interesting day.
